

## **MEDICAL CAREER COLLEGE OF NORTHERN CALIFORNIA FIRE SAFETY REPORTS ON STUDENT HOUSING**

MCCNC does not offer student housing, according to FA's Institutional Fire Safety Policies and Fire Statistics 668.49; "If your school maintains on-campus student housing facilities, the school must prepare an annual fire safety report that contains, at a minimum the following:

- The fire statistics described in 668.49(c)
- A description of each on-campus student housing facility fire safety system
- The number of fire drills held during the previous calendar year
- Policies or rules on portable electrical appliances, smoking and open flames in a student housing facility
- Procedures for student housing evacuation in case of a fire
- Policies regarding fire safety education and training programs provided to the students and employees. In these policies, the school must describe the procedures that students and employees should follow in the case of a fire.
- For purposes of including a fire in the statistics in the annual fire safety report, a list of the titles of each person or organization to which students and employees should report that a fire occurred.
- Plans for future improvements in fire safety, if determined necessary by the school

Because MCCNC does not offer on-campus housing, we are not required to provide the above-mentioned information. If you have any questions about fire safety, please speak to our admissions or financial aid officer.
