BOOKS

A list of books is provided below. Students have the option of purchasing books from MCCNC or from another source. This list includes the price for the book if a student was to purchase it on their own. Books purchased must be the exact books and same edition as those indicated on the book list. Students must have their books by the first day of class. From time to time, new editions of textbooks are issued by the publisher with minor changes. Students will not be required to purchase any new editions during their program. MCCNC does not have a bookstore.
