ADMISSION AND GRADUATION REQUIREMENTS

ADMISSION REQUIREMENTS

Applicants for admission must possess a High School Diploma, High school Equivalency or GED to be considered eligible for admission to the program. All applicants must achieve a minimum passing score of 20 on the School's entrance exam. Classes are taught in English. The student must demonstrate the ability to read and write in standard English.

GRADUATION REQUIREMENTS

Students must complete all areas of the program with a cumulative BPA of 75% or better and satisfactorily complete the externship program in an approved medical facility. In addition, students must satisfy all financial obligations to the School to receive their certificates.

HOW TO ENROLL

Requests for an admission application of course catalog may be made in writing to Medical Career College of Northern California at 1220 Melody Lane Suite 140 Roseville CA, 95678 or by emailing the school at MCCNC2000@YAHOO.COM. Forms may also be found on our website to download.

The school recommends that interested students call for an appointment to visit the classroom and discuss the program with an Admissions Representative.

LIMITED PERMIT X-RAY TECHNICIAN CERTIFICATE PROGRAM

PROGRAM OPPORTUNITIES

Provide Training to enable a student to assume an entry level position as a Limited X-ray Technician in the Scope of Chest, Torso-skeletal and Extremities as well as the required 20 hours of licensure in the use of computerized and digital radiography. Upon successful completion of this course, the graduate is eligible to take the California State Exam for Limited X-Ray Technician. Once the graduate passes the examination, they may become a responsible member of a team in a physician's office or clinic. In addition to being qualified to provide X-Ray services, the graduate is also qualified to perform CPR and related back office patient care procedures. It is recommended that the prospective student verify certification requirements if considering employment in a state other than California.

PROGRAM DESCRIPTION

Hours of Instruction Provided: 600

Outside Preparation hours: 135

Weeks of Instruction: 78

Semester Credits: 24.5

All didactic and lab classes are in residence for 101 Tec, 102 Tec, 103 Tec. Students are required to complete numerous classroom quizzes, laboratory procedures, hands on positioning, and homework assignments. Additionally, students will be required to take a midterm and final and show proficiency in positioning.

The externship will begin when the student demonstrates the basic knowledge and skills necessary to begin taking radiographs. The externship rotation consists of documented proof of 50 Chest exams, 50 upper extremity exams, 50 lower extremity exams, 200 Torso-skeletal exams and 50 additional exams in any category.

Instruction, both classroom and laboratory work are held at 1220 Melody Lane Ste. 140 Roseville CA.
